

MICHIGAN GARDEN CLUBS, INC.

LODA LAKE FUND

Michigan Garden Clubs have partnered with the U.S. Forest Service to manage the Loda Lake Wildflower Sanctuary for over 70 years. Donations from Garden Clubs and individual members have helped to pay for many park improvements over the years. MGC is currently working to raise funds to build a permanent pavilion for the existing picnic area. The pavilion is especially needed for groups such as students, scouts and visiting Garden Clubs.

Donations to the Loda Lake Fund may be presented as honorariums or memorials. Clubs are asked to consider the Loda Fund as a budget item.

DONATION FORM

Make checks payable to Michigan Garden Clubs, Inc. and note Loda Lake Fund on the memo line.

Name of Individual
and/or Garden Club _____

Address _____ Phone # _____

City _____ State _____ Zip _____
